Summer team grading is not a guarantee of Winter team grading. Players develop at different rates and new players may join the club that need to be graded accordingly. Selectors will recommend team placements based on performance at trials and feedback from coaches.

REGISTRATION INFORMATION

Registrations for Tango Netball Club Winter 2025 Season are now open and will close **STRICTLY** on **Sunday 2 February 2025**.

You must register and pay your fees on PlayHQ before the above cut off to be able to attend the Trials.

You will be asked to register your interest to play at either AMND (Mile End) or SADNA (Golden Grove) competitions. Please ensure you register via the correct link. Please note: to ensure that teams are balanced, coordinators may invite players to play at the association not originally registered for. Tango encourages players to play at AMND during Winter, as it is considered the stronger competition of the two and gives players opportunities for better development. We recognise that this is not feasible for some families, which is why we also offer the option to play at SADNA.

Registration Link for AMND: <https://www.playhq.com/netball-australia/register/5af178>

Registration Link for SADNA: <https://www.playhq.com/netball-australia/register/f147ca>

Please note, the game times & days at each location are different. Please continue reading for full details.

Players are placed into grades based on their year of birth. Within each age group there are several divisions. The club nominates teams after running trials, and the relevant association assigns each team to a division within their age group. To prepare our players for the Winter season, players will play in their Winter age groups during the Summer Season.

GETTING INVOLVED

Tango Netball Club is run entirely by volunteers. We encourage you to consider how you may be able to contribute to the success of the club. Without volunteers, the club cannot function and our players cannot take to the court each week. Specifically, you may be able to help with coaching, umpiring, fundraising, or have a specialist skill such as IT or marketing. Perhaps you or someone you know runs a local business that would like to sponsor us? If you would like to talk to us about how you can contribute, please contact the Secretary.

We look forward to you joining our club and hope you enjoy the season.

If you have any questions or require any further information, please let us know

Kind regards

Craig Steen

President
